

The ConfTool platform is now open for full papers uploading:

<https://www.conftool.pro/cigrenrccsymposium2025/>

The deadline for full papers uploading is February 3, 2025. Only the submitting author can upload files or edit contribution details.

ConfTool gives a number for each synopsis and each full paper. A three-digit synopsis number XXX becomes a four-digit number 1XXX for the full paper. For example, a synopsis with a number 234 becomes a full paper with the number 1234. The full paper ID should be inserted at the top of the first page of the full paper template. The template for full papers is available at the symposium web page: <https://cigrenrccsymposium2025.com/call-for-paper>

Submitting authors only: upload the full paper(s) using your ConfTool account:

1. After logging in, select "Your submissions".
2. Check the existing data by clicking on "Contribution details" and make updates if there are some changes compared with the synopsis. If changes are needed, click on "Edit contribution details" (see Figure 1) edit the data and save it. Comments to reviewers are non-mandatory; you may leave the field blank.
3. Click on "Upload file(s)", (Figure 1). In the view of Figure 2, click "Choose a file" to upload the full paper, PDF format only. Complete the online submission by clicking on *Upload file and save submission*. An automatic email of confirmation is sent to all authors to confirm online submission.

Study Committees manage a review process for full papers in a similar way as for synopses, with review/acceptance or non-acceptance.

During the review period of full papers (February 3 – March 3, 2025), study committees may contact authors directly for adjustments or modifications to be made to submitted papers, and an updated version of papers may be required then.

Need assistance?

Need help uploading the full papers, contact ConfTool admin: trd2025papers@gmail.com

Need help in study committee related issues, e.g. reviews, contact the relevant SC Chair.

Other technical issues, please contact Technical Organizing Committee Co-chairs:

geir.clasen@nexans.com or marta.valescudero@eirgrid.com

The contact data above also here: <https://cigrenrccsymposium2025.com/call-for-paper>

With best regards

Liisa Haarla, Administrator of ConfTool for CIGRE Trondheim Symposium 2025

Your Submissions
